L'ESTETICA DI TRIBOO NASCE DALLE VENATURE DI SVARIATE FAMIGLIE DI PIETRE NATURALI, TRA LE QUALI LA PIETRA DAINO, LA PIETRA TOBACCO, LA PIETRA DI PROVENZA E LA PIETRA FRANCESE, SELEZIONATE E RIELABORATE DA MIRAGE PER FORMARE UN MIX UNICO ED ORIGINALE.

The inspiration behind the look of Triboo is the veining found in some of the most familiar, yet varied natural stones, including the Daino stone, the Tobacco stone, the Provencal and French stones, all selected and reinterpreted by Mirage to create a unique and original mix.

Die Ästhetik von Triboo bestimmt sich durch die Äderungen verschiedener Natursteine, wie zum Beispiel der Daino, der Tobacco Sandstein, der Stein der Provence und der Französische Stein, die von Mirage ausgewählt und überarbeitet wurden, um eine einzigartige und originelle Mischung zu bilden.

L'esthétique de Triboo est obtenue grâce aux veines de différentes familles de pierres naturelles, parmi lesquelles la pierre daino, la pierre tobacco, la pierre de Provence et la pierre française, sélectionnées et refaçonnées par Mirage, pour former un mix unique et original.

La estética de Triboo nace de las vetas de diferentes familias de piedras naturales, entre las cuales la piedra daino, la piedra tobacco, la piedra de Provenza y la piedra francesa, seleccionadas y reelaboradas por Mirage para formar una mezcla única y original.

Фактура Triboo имитирует изящный прожилковый рисунок различных природных камней – даино, табакко, провансальского, французского, – собранных в единый, оригинальный, гармоничный комплект.

Tutte le piastrelle Mirage sono studiate e prodotte interamente in Italia, elemento che oggi più che mai testimonia la volontà dell'azienda di promuovere la qualità ed i valori dell'autentico **Made in Italy**. Per noi il marchio Made in Italy non è uno slogan, bensì l'espressione di valori forti e reali in termini di **etica lavorativa**, di **responsabilità sociale** e di **rispetto delle persone** al fine di garantire loro le migliori condizioni di lavoro possibili, ma anche trasparenza, attenzione e **responsabilità verso il territorio e la salvaguardia dell'ambiente**. Il marchio Made in Italy è per noi la garanzia di qualità di un prodotto unico, che racchiude in se' tutte le doti di ingegno, creatività e ricerca, di innovazione tecnologica nel rispetto della tradizione ma, allo stesso tempo, della flessibilità di adattare il bello all'utile, l'antico al moderno: un pregio riconosciuto, da sempre, allo stile ed alla ceramica italiana nel mondo.

*All Mirage tiles are designed and manufactured exclusively in Italy. Today more than ever before, this is indicative of our desire to place the accent on the renowned quality and value of **Italian-made products**. For us, the Made in Italy trademark is not merely an advertising slogan. In Mirage, l'operare con trasparenza nei confronti di tutti gli interlocutori, clienti, fornitori e collaboratori è considerato un valore fondamentale. Proprio per questo, anticipando le legislazioni nazionali ed europee a sostegno di un codice etico ispirato alla trasparenza nel commercio, **Mirage accoglie con impegno l'iniziativa promossa dal Consiglio Direttivo di Confindustria Ceramica** di riportare su prodotto ed imballi le informazioni relative all'origine.

Here at Mirage, we consider transparency as an essential value in our dealings with everyone, from customers and suppliers to staff. This is why, ahead of Italian and European legislation to support a code of ethics inspired by transparency in trade relations, **Mirage is already committed to the project set up by the Executive Board of Confindustria Ceramica** for information on the origin of products to appear on both products themselves and their packaging.
