**Una materia senza tempo,  
simbolo della forza  
incontrastabile della natura.  
Casamood sceglie la lava,  
la sua superficie avvolgente  
e morbida che unisce  
memoria e attualità,  
nostalgia e tendenza.  
I colori si mescolano in un  
delicato squilibrio  
apparente, pose e formati  
propongono giochi e incastri  
cromatici che creano  
accostamenti nuovi e  
originali, asimmetrie  
accattivanti e inedite  
scenografie.**

**A timeless material, symbol of incontrovertible strength of nature. Casamood chooses lava, its enveloping and soft surface joins reminiscence and relevance, nostalgia and tendency. The colours mix in an apparent delicate imbalance, applications and sizes propose colour games and brickwork that create new and original combinations, winning asymmetries and new settings.**

**Un matériau intemporel qui est le symbole de la force inéluctable de la nature. Casamood choisit la lave, sa superficie envoutante et délicate qui unit la mémoire et l'actualité, la nostalgie et la tendance. Les teintes se mélangent en un équilibre délicat apparent, les poses et les formats proposent des jeux et des encastresments chromatiques créant des associations innovantes et originales, des asymétries captivantes et des scénographies inédites.**

**Ein zeitloses Rohmaterial; Symbol für die unbezwingbare Kraft der Natur. Casamood hat sich für Lava und deren schützende und weiche Oberfläche entschieden, welche die Erinnerung und das Heute, die Nostalgie und die Tendenz vereint. Die Farben vermischen sich in einer delikaten, scheinbaren Unausgewogenheit; die Art der Legung und die Formen bieten Farbspiele und -verbindungen, welche neue und originelle Kombinationen sowie reizvolle Asymmetrien und unbekannte Szenerien bilden.**

**Una materia sin tiempo, símbolo de la fuerza incontrastable de la naturaleza. Casamood elige la lava, su superficie suave y arrolladora que combina memoria y actualidad, nostalgia y tendencia. Los colores se mezclan en un delicado desequilibrio aparente; las colocaciones y los formatos plantean juegos y empotramientos cromáticos que crean combinaciones nuevas y originales, asimetrías cautivadoras y escenografías inéditas.**
